

Financial Assistance

We believe that no one should delay seeking needed medical care because they lack insurance or have high medical costs. That's why we assist patients with applying for public health coverage programs, offer discounts and payment plans for uninsured patients, and offer Payment Assistance to eligible patients for selected hospital services.

Government Program Eligibility

To get more information on government sponsored programs like Medi-Cal, Medicare, Healthy Families, or to request an application, please call the number listed on the back of this brochure. Applications are available at the hospital.

Uninsured Patient Discount

Eligible uninsured patients will pay a reduced rate for certain hospital services. This rate will be reflected on the patient's first billing statement. Uninsured patients who meet the criteria outlined below are eligible for this uninsured discount:

- Annual household income does not exceed \$250,000
- Patient is uninsured
- Patient assigns benefits relating to claim to CHW

CHW Payment Assistance

If you are not eligible for a government program, you may be eligible for CHW's need-based Payment Assistance Program or for an interest-free payment plan. This Program is ONLY for your Hospital Bill and does not cover any other bills. For further information or to obtain an application for Payment Assistance, please contact us at the number listed on the back of this brochure or visit Admitting / Patient Registration.

Welcome

Thank you for choosing Catholic Healthcare West for your health care needs. This brochure will provide you with information on how your services will be billed and to inform you of payment assistance options available to you.

Hospital Billing

Patient Financial Services is made up of several departments: Admitting / Registration, Financial Counseling, and the Patient Accounts Business Office.

We have opened an account in your name where we will record all financial transactions related to your care. If you have provided insurance information, we will submit a claim on your behalf. When the amount you owe has been determined by the hospital or insurance company we will send you a "Balance Due" notice, like the one printed to the right.

You may receive separate billing statements from other doctors or clinical staff that assisted in your care. This could include Emergency Physicians, Anesthesiologists, Radiologists, Home Health, Hospice and/or Pathologists. These doctors could have different arrangements with your insurance company that may lead to additional bills. For billing inquiries, please contact each provider at the number listed on their billing statement.

An itemized billing statement that details services provided can be requested after you leave the hospital by calling the business office listed on the back of this brochure.

Our financial counseling staff can assist you with interpreting your insurance benefits and provide you with an estimate of what your charges will be in advance of receiving care. These totals are only estimates because it is difficult to anticipate the exact services that a patient may actually receive.

To pay your bill online, go to:
www.chwHEALTH.org/billpay

Understanding Your Bill

We accept cash, credit cards, money orders, cashiers checks, or personal checks as payment. If you are unable to pay your bill, or would like to set up a payment plan, please do not hesitate to ask for assistance. We're here to help.
